PRECISION TUBE BENDING

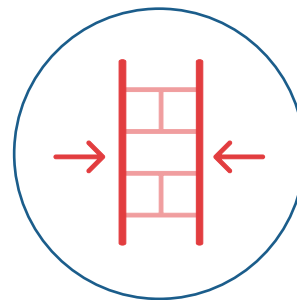

WE DO PRECISION **TUBE BENDING**

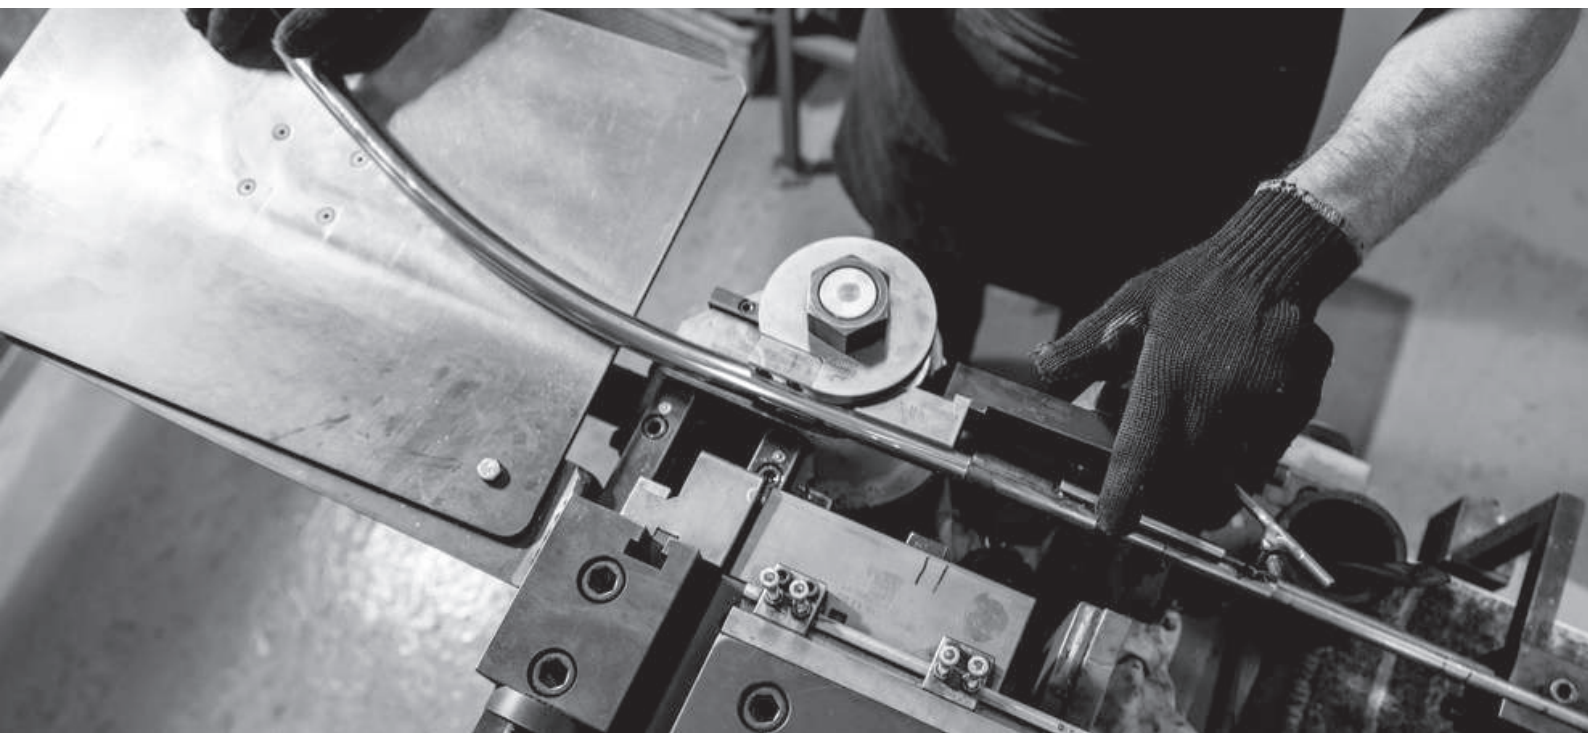

Tight
Radius

Narrow
Tolerance

Small Wall
Thickness

WE BEND

ALUMINUM

COPPER

SS

SIZE

OD

6mm to 70mm

Wall Thickness

0.7mm to 5mm

SHAPE

Round

Square

Rectangle

BRASS

MS

WE ALSO DO END FORMING

Multi Bending

Beading & Grooving

Beading on Bending

Crimping

Piercing

Reducing

Flatenning

Flaring

Induction Brazing

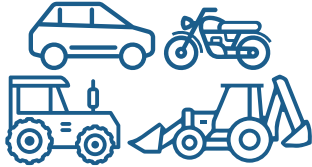

CNC Turning & Bending

Threading

WE BEND FOR

Automobile
Industry

Refrigeration
Industry

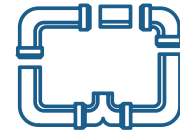

Medical
Industry

Airconditioning
Industry

Furniture
Industry

Copper
Plumbing

OUR PRODUCTS ARE USED IN

- Radiator
- Generator
- Compressor
- Engine
- Air Conditioner
- Cooler
- Automobile
- Heat Exchanger
- Condenser

OUR BEND PIPES ARE USED IN PRODUCTS OF

INFRASTRUCTURE, CAPACITY AND CAPABILITIES

SETUP

- 20K Sq Ft Manufacturing set up. Immediate expansion possible of additional 50K Sq Ft
- Location to suit delivery within 1-2 Days to any part of the Country
- Ability to handle large volumes across wide variety

MACHINERY

- CNC 3 Axis Bending Machines, Hydraulic Bending Machines
- Mechanized Mandrel Benders developed inhouse
- CNC Turning capacity up to 400mm, ID Bore up to 50mm, OD Clamp up to 200mm
- Heavy Drilling, Milling, Tapping Machines

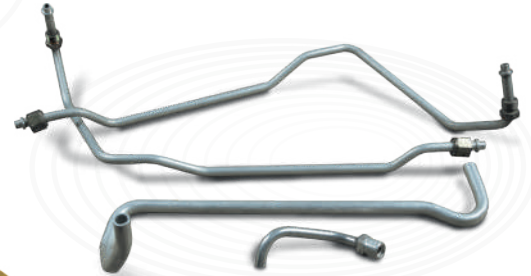

PEOPLE

- Inhouse Design & Die-Tool-Fixture-Gauge Development Team
- Production Team comprising Managers, Supervisors, QC, Skilled Workmen

- Hydro Pneumatic Press, Hydraulic Press
- Self-made Fixtures for Beading, Cutting, Slotting, Threading, Expanding, Reducing, Notching, Cutting, Piercing, Flaring
- Induction Brazing, Furnace, Cleaning Machines

SOME OF OUR PRODUCTS

ABOUT US

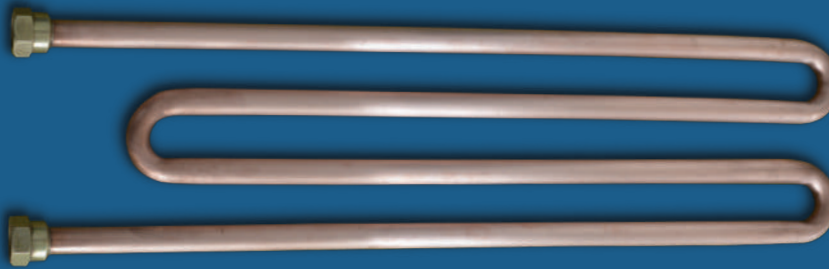

WE ARE A
30 YEAR
YOUNG COMPANY

WE ARE
PROFESSIONAL
ENTREPRENEURS

THE SOLE PURPOSE OF
OUR EXISTENCE IS TO

DEFORM
FABRICATE
BEND

Pipes

- Give us a Straight Pipe and we will give it a Shape or Form U need.
- Give us Production Volumes and U will get Timely, Reliable and Quality Supply.
- Give us a Design and we will make a Prototype for U in the shortest time.
- Our Bend Pipes are known as Bend Tubes, Inlet-Outlet Pipes, Connectors and many other things.

We **"BOW"**  before U
We **"BEND"** for U

We **"BOW"**  before U
We **"BEND"** for U
